

▶ Accessing your Islander e-mail account

Your Islander student e-mail address will serve as a critical component of our University's ability to communicate with you. Via this e-mail address, you will receive official University correspondence, billing notifications, and emergency announcements (in cases of a campus emergency).

▶ ACTIVATING YOUR ACCOUNT

1. Log on to <http://newuser.tamucc.edu>.
2. Select Islander Student E-mail. Scroll down and enter your Student ID and your birth date in the format of MMDDYYYY. Click Submit.
3. Congratulations! You have now activated your Islander student e-mail account. You will be provided with your e-mail UserID and password. You may print or write down this information, as you will need both to log in to your e-mail account.

Please allow 3-5 minutes to pass before proceeding to the next step. This will allow the e-mail server time to complete your request.
